[COMMUNICATED. Human Nature.

I beg to hand you he with a clipping taken from the Atchison Globe, which may be apropos for some of our Alexandria sisters.

There are some shoppers in this town who think they know it all, But they never buy in Atchison—oh, no, this town's too small.

They shop, and shop, and shop, and on clerks have no pity.
But when they have a cent to spend they go to Kansas City.

But humen rature's much the same no matter where you go. And whi cour dear friends here think our stores so very slow, in Kauses City her sister or cousin, to

Strike of Officers.

In accordance with the decision of a committ a appoint d by the officers of the merchant marine now on stike at Havre, the officers of the French line steamers St. Simon. Labrador, Canada, L'Aqui ine, and Ferdinand de Lesseps have left those vessels. The officers of the La Savoie will leave that vessel today, but the French line is confident that it will be able to make arrangements by which the ship will sail as usual next

Satu.day.

The strike of the dock-workers and others connected with the merchant ma-rine at Marseilles, which has been pro-Money deposited in a

According to a dispatch from Paris April 27, the French Trans-Atlantic St-amrhip Company said there was no possibility that the strike of the officers of the merchant marine in Marseilles would extend to the Trans-Atlantic Stramphip Company said there was no possibility that the strike of the officers of the merchant marine in Marseilles would extend to the Trans-Atlantic line. would extend to the Trans-Atlantic liners, mainly because all of the officers of the Trans-Atlantic steamers were at ached to the French navy, and therefore were not subject to the agitations of the merchant marine. It seems, from the foregoing dispatch, that the company was mistaken. On May 3 there were 102 vessels laid up D. C. Whitaker, Vice Pres't. at Marseilles, and over three thousan men were idle.
